OFFICE OF
AIR AND RADIATION

Dear Moises Chernovetzky:

Pursuant to your Fuel Additive Notification, dated 16 May 1996 and received on 22 May 1996, the following fuel additive has been registered in accordance with the regulations for the Registration of Fuels and Fuel Additives at 40 CFR 79:

XP3 Diesel

Note that per 40 CFR 79.21(f) you would be required to notify the Environmental Protection Agency, Office of Fuel and Fuel Additive Registration, *in writing*, if certain information provided in your notification were to change.

In addition, note that with your notification you have provided assurances that you will not represent, directly or indirectly, in any notice, circular, letter, or other written communication, or any written, oral, or pictorial notice or other announcement in any publication or by radio or television, that registration of this fuel additive constitutes endorsement, certification, or approval by any agency of the United States.

If you have any questions, please call the Office of Fuel and Fuel Additive Registration at (202) 233-9755.

Sincerely,

A handwritten signature in cursive script that reads "Charles N. Freed".

Charles N. Freed
Director
Fuels and Energy Division
